5. Update from Fire Service

Community Fire Safety

As per the Chairman’s request at the last meeting, Kilkenny fire station used their social media platforms and the Kilkenny People to highlight the importance of cleaning your chimney.

During the build up to Halloween, public messaging campaigns were maintained through social media channels (Twitter and Facebook) of Kilkenny County Council to highlight the dangers of fireworks and bonfires. Liaison with the Environment Section and An Garda Síochána took place to reduce the risks associated with bonfires. Thankfully from a brigade point of view it was a quiet day and night as they attended only 1 no bonfire on Halloween.

Fire Brigade Operations

At present, they have 1 confirmed case of Covid-19 in the brigade which has resulted in 9 close contacts.

To-date the close contacts have to restrict their movements for the 14 days. They all have had 2no tests, so far, the tests that have come back have been negative. They still await 1no. second result for one individual. The use of facemasks, physical distancing, washing hands by all personnel looks like having prevented the spread of covid-19 in the brigade.

Fire Brigades responded to 690 turnouts up to the 31st October 2020. The same period last year we responded to 631 turnouts.

Fire personnel received initial and refresher training in the use of chainsaw operation and emergency first responder training during the month of October.

Fire Safety Certificates

104 applications for fire safety certificates were received up to 3rd November 2020. This was a 19% increase in 2019 applications for the same period last year. These applications are administered by staff working from home and from our Headquarter station due to Covid-19.

Fire Services Acts 1981 and 2003

- To date Fire Prevention staff have made 37 inspections of premises both to provide advice and to enforce legislation.
- As of 11th November 2020, 86 Licence Applications were processed under Section 24 of the Fire Services Acts 1981 & 2003.

6. Community Helpline
