15/825	ESB Networks Ltd	P	29/12/2015	for renewal works to the existing 38kV overhead line spanning the River Barrow to the north of O'Hanrahan Bridge in New Ross, County Wexford. The overhead line runs through the townlands of Rosbercon and Annefield on the west bank of the river and the townlands of Craywell, Ardross and Castlemoyle on the east bank of the river. On the west bank it is proposed to replace two steel towers with one steel tower and one double wooden poleset both of lower height than the existing structures and to replace an existing double wooden poleset with a new double wooden poleset of the same dimensions. On the east bank of the river, it is proposed to replace the existing steel tower with a smaller steel tower and to replace an existing double wooden poleset with a new triple wooden poleset of similar dimensions. It is also proposed to underground the existing overhead line between these two structures by drilling under Mountgarrett Road and running a cable underground between these structures. In total five structures will be replaced as part of the proposed works. The overhead line falls within the administrative areas of County Kilkenny and County Wexford New Ross	25/02/2016	141
